

To Whom It May Concern:

[T&L Foundation for Child Care Information](#) is hosting a unique fundraising event this summer. Our event, Summer Sips and Strokes, will be held at the Paradise Cove Residents Community Center on August 15, 2015 beginning at 2:00 p.m.

We're raising funds to create the healthiest child care environments because children deserve it. Our programs enable child care providers, not typically eligible for funding, to put in place best practices suggested for healthy environments.

Our event will be a cozy group of women from the community of no more than 48 people. Your business would be prominently featured and spoken about throughout the event including a flyer that reminds our attendees to support those who have generously supported our event and [programs](#). Your contribution as well as your business name, logo, and website link will be published on our website and shared on other electronic materials/social media as soon as we receive the contribution.

Can you help us with a donation of a product or service from your business because it will greatly assist a child care provider who wants to inspire and grow healthy children? All donations are appreciated and tax deductible (Federal Tax ID Number: 46-4892019). A donation form for silent auction items is attached.

Fill out the donation form and contact me for pick up or mail your generous donation directly to:
